

Poster Awardees

Year	Placing	Awardee	Topic	Campas
2025	1st	Arthur Elwory	Methodology for Establishing Achievable Stream Setbacks for Harvest Residue Removal	UoC
	2nd	Mahsa Hashemi	Can AI help solve complex Slope Stability Challenges in NZ's Forested Landscapes?	UoC
	3rd	Liam Cassidy	Enriching LiDAR-based Inventory with Competition Indices	UoC
2024	1st	Caylee Broan and Heather Harper (joint poster)	Investigation of methods to measure residual slash in New Zealand's Erodible Cutovers.	UoC
	2nd equal	Chloe Small	Sustainable Farmings: How forestry can play a role in reducing the impacts of an	UoC
		Jack, Munro	Key observations & trends in the Canterbury/West Coast wood processing	Toi Ohomai Institute
2021	1st	Dallas Collier	Money lost through production breakage	Toi Ohomai Institute
	2nd	Kajal Chaudhary	Comparison and valuation of pigeon Valley Standard regime vs the fire affect regime	Toi Ohomai Institute
	3rd	Michael Walmsley	Hovermap consistency analysis	UoC
2020		No awards Covid-19 pandemic		
2019	Four prizes (\$800, \$600, \$400 and \$200) were offered at the ANZIF Conference in Christchurch.			
	1st	Reihana Fisher	To prune or not to prune	UoC
	2nd	Georgia Craig	Impact of log storage on air quality	UoC
	3rd	Nick Berry	Factors affecting processor productivity	UoC
	4th	Shaun Coles	Capturing asset value through forest inventory	UoC
2018	1st	Ben Reriti	Machine utilisation using GPS tracking.	UoC
	2nd	Millan Visser	Machine utilisation using GPS tracking.	UoC
	3rd	Lauckie Western	Implications of log taper on accuracy of JAS scaling	UoC
2017	1st	William Hollis	Supervised classification of native forest through the use of remote sensing imagery and ArcGIS	Toi Ohomai Institute
	2nd	Okey Francis Obi	Measuring harvesting efficiency of logging crews and the effect of external factors.	UoC
	3rd	Michael Pay	What can be achieved from 121 ha of marginal hill country.	Uoc
2016	1st	Alfred Duval	What affects load rates at different ports.	UoC
	2nd	Grace Jones	Factors which influence stiffness in ten-year old radiata pine.	UoC
	3rd	James Govina	Resin & resin canals in clones and families of P. radiata.	UoC
2015	1st	Adrian Loo	Working hours in the NZ forestry sector.	UoC
		2nd, 3rd Place: No award
